## **CORRECTED SUPPLEMENTAL ORDER**

On September 25, 2009, the Board issued a Decision and Order (354 NLRB No. 79), in which the issue of whether the Respondent violated Section 8(a)(5) and (1) of the Act by enforcing a changed efficiency policy for its inspectors after the April 13, 2000 election, was remanded to Administrative Law Judge Burton Litvack for the issuance of a supplemental decision limited to that issue, setting forth findings of fact, conclusions of law, and a recommended Order.

On February 4, 2010, Administrative Law Judge Burton Litvack of the National Labor Relations Board issued his Supplemental Decision in the above-entitled proceeding and, on the same date, the proceeding was transferred to and continued before the Board in Washington, D.C. The Administrative Law Judge found that the Respondent has not engaged in certain unfair labor practices, and recommended that the unfair labor practice allegation, that Respondent violated Section 8(a)(1) and (5) of the Act by unilaterally changing its efficiency policy after the April 13, 2000 election by more stringently enforcing its efficiency standard for inspectors be dismissed.

No statement of exceptions having been filed with the Board, and the time allowed for such filing having expired,

Pursuant to Section 10(c) of the National Labor Relations Act, as amended, and Section 102.48 of the National Labor Relations Board Rules and Regulations, the Board adopts the findings, and conclusions of the Administrative Law Judge as contained in his Supplemental Decision, and the recommended Order of the Administrative Law Judge becomes the Order of the Board. Accordingly, the issue of whether the Respondent violated Section 8(a)(5) and (1) of the Act by enforcing a changed efficiency policy for its inspectors after the April 13, 2000 election is dismissed.<sup>1</sup>

Dated, Washington, D.C., April 27, 2010.

By direction of the Board:

Richard D. Hardick

Associate Executive Secretary
